## Experience

### Oracle India Pvt Ltd

May 2023 – July 2023

*Project Intern*

*Hyderabad, Telangana*

- Worked in FRE team, where we ideated, developed and deployed a full-stack application for auditing code violations and exceptions. The result saved 80% of FA developers and TA teams time spent over auditing code violations.
- Automated the full workflow and in clean GUI instead of previously manual workflow which involved dealing with complex Excel sheets.
- Tech stack - OJET, SpringBoot and Oracle DB. Improved collaboration, team work and communication skills while working in corporate environment.

### CC Extractor (Google Summer of Code)

June 2022 – Oct 2022

*Google Summer of Code 2022 Contributor*

*Remote*

- Developed an app that lets the caller decide if the call is urgent or not to show the urgency of that call.
- I got unique opportunity to ideate and code from scratch. Got mentored from lead devs of org regarding tech, product design and helped other people in community while on boarding.
- Tech Stack - Flutter, Figma and Firebase

### Connectezy

Aug 2023 – Present

*Software Developer*

*Tiruchirappalli, Tamil Nadu*

- Worked on Connectezy, a startup focused on connecting people, especially alumni, responsible for product design, leading other developers and coordinating with other co-founder.
- Lead the product team in developing various features like hub, my network, chat and login, etc for the app. We also onboarded 800+ students from 2 different colleges.

### Technical Council, NIT Trichy

May 2023 – Present

*Technical Secretary*

*Tiruchirappalli, Tamil Nadu*

- Selected as Technical Secretary 2023 - 2024, NIT Trichy, responsible for monitoring and managing the 17 technical clubs, Pragyan fest and overseeing various campus development initiatives at NIT Trichy.
- I also coordinate with the Centre of Excellence, ISRO incubation centre, Centre for Entrepreneurship Development and Incubation and other labs to ensure a thriving platform for the students of NIT Trichy.
- Conducted TransfinitTe, the annual flagship hackathon of NIT Trichy, with 50+ teams and 5 lakhs+ prizes pool.

### Leadership / Extracurricular

- Working on startup **Connectezy** which aims to connect alumni and students for collaboration, overseeing its development both from product and tech side.
- Chief community lead and CTO for Befikra Community, to help students with their careers, which has **3000+ members** around India.
- Speaker at **Twitter Space** session on "Open Source in Web2.0, Web3.0, and Metaverse" by GSSOC
- Speaker at **GDSC NIT Silchar** and **GDSC NIT Trichy** session on "Git it Done", attended by **200+ participants**.
- Lead open source community, TeCOS, NIT Trichy, where I helped students to get started in open source. **200+ students joined for events and 500+ member community**.
- Got a fully funded scholarship by **IIIT Hyderabad** and **Wikimedia Foundation** to attend 2nd Wikimedia Summit.

## Technical Skills
